

# Pro Luxe Cleaning Breakdown

## Standard or Regular Cleaning

This is a routine service, typically scheduled weekly or bi-weekly, to maintain a consistent level of cleanliness in a home.

Meaning: Covers general upkeep, such as dusting surfaces, vacuuming carpets, mopping hard floors, and wiping down visible surfaces in kitchens and bathrooms.

Best for: Clients who want to keep their homes tidy and prevent the build-up of dirt and grime.

---

## Deep Cleaning

A comprehensive and intensive service that goes beyond the surface to clean hard-to-reach and often-neglected areas.

Meaning: Includes all standard cleaning tasks plus more thorough work, such as scrubbing tile grout, cleaning inside and behind major appliances, washing blinds and baseboards, and deep cleaning upholstery.

Best for: New customers, pre-event cleaning, or a seasonal "spring clean" to reset the home's hygiene.

---

## Commercial Cleaning Services

Office Cleaning: Regular cleaning services for office spaces, including dusting, vacuuming, sanitizing restrooms, and general upkeep.

Retail Cleaning: Cleaning for stores and shops to maintain a welcoming and hygienic environment for customers and staff.

Medical Cleaning: Specialized cleaning services for healthcare facilities that require high standards of sanitation and disinfection.

Industrial Cleaning: Cleaning tailored for manufacturing plants, warehouses, and other industrial facilities.

## Green or Eco-Friendly Cleaning

This option uses non-toxic, biodegradable, and environmentally friendly products and methods.

Meaning: Minimizes chemical exposure, making it ideal for households with children, pets or those with chemical sensitivities.

## Airbnb/Short-term Rental Cleaning

A fast-turnaround service that gets a rental property ready for the next guest.

Meaning: Includes changing bed linens, restocking supplies, and thoroughly cleaning and sanitizing the space between bookings.

---

## Move-in/Move-out Cleaning

This is a highly detailed service designed for a vacant property, performed either before moving in or after moving out.

Meaning: Involves an extensive top-to-bottom clean of every room, including inside and outside of appliances, cabinets, and closets. For renters, it is often needed to get their security deposit back.

Best for: Tenants vacating a rental or homeowners preparing a house for a new owner.

---

## Janitorial Services

These routine services are performed regularly (daily, weekly, or bi-weekly) to keep general cleanliness in commercial spaces. They are suitable for offices, schools, and apartment complexes, and typically include:

General Cleaning: Dusting, sweeping, vacuuming, and mopping floors in public areas, hallways, and meeting rooms.

Restroom maintenance: disinfecting toilets, sinks and countertops, as well as restocking paper and soap products.

Break-room cleaning: Wiping down countertops, sinks, and tables in kitchen and break areas.
